EXAMINER'S COMMENT

1. The drawings as originally filed appear to be informal because the reference numerals and the figure characters are hand-written.

In order to avoid abandonment of the application, applicant must submit formal drawings without hand-written characters and reference numerals.

Formal drawings are now required.

2. This application is SN 09/993881. However, in applicant's amendment papers, upper right corner, the serial number has been labeled as "Serial No. 09/993,262", which is inconsistent with this application. If this is true, then applicant must re-file the amendment with serial number 993,881.
3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bentsu Ro whose telephone number is (703) 308-3656.
